

SAFETY DATA SHEET

CERIGUARD LENS PROTECTION TAPE

1. IDENTIFICATION OF THE PRODUCT AND THE COMPANY

Product Name	Ceriguard Lens Protection Tape – all variants (M2, Low Tack, Hi-Tack, Ultra Tack, 1000 Plus, Armour and Standard in lined, linerless and precal formats and all colours)
Manufacturer	Cerium Optical Products Cerium Technology Park Appledore Road Tenterden TN30 7DE Kent United Kingdom Phone +44 (0) 1580 765211 Fax +44 (0) 1580 765573 e-mail salesteam@ceriumoptical.com

2. HAZARD IDENTIFICATION

Not classified as hazardous according to EC criteria

Potential Hazards

Eye/Skin contact Irritation from adhesive layer

3. COMPOSITION/INFORMATION ON INGREDIENTS

Components	Conc	CAS	R Phrase	Classification
------------	------	-----	----------	----------------

Product does not contain any material classified as hazardous according to EC criteria.

4. FIRST AID MEASURES

Skin Contact If irritation occurs wash well with soap and water. If symptoms persist obtain medical attention.

Eye Contact Rinse immediately with plenty of water. If symptoms persist obtain medical attention.

Inhalation If feeling unwell remove to a well-ventilated area.

Ingestion Seek medical advice if ingestion is suspected.

5. FIRE-FIGHTING MEASURES

Suitable extinguishing media All extinguishing agents can be used depending upon surrounding conditions.

Special protective equipment for fire-fighters Normal protective clothing and respiratory equipment.

SAFETY DATA SHEET

6. ACCIDENTAL RELEASE MEASURES

Personal Precautions	PVC or rubber gloves
Environmental Precautions	Avoid release to the environment
Methods for cleaning up	Gather together and place in a suitable container for appropriate disposal

7. HANDLING AND STORAGE

Handling	Handle in accordance with good industrial hygiene practices and any legal requirements.
Storage	Store in a cool dry place. Keep away from sources of ignition.

8. EXPOSURE CONTROLS/PERSONAL PROTECTION

Exposure Limits	N/A
Engineering measures to reduce exposure	Use in well-ventilated area.
Occupational Exposure Controls	Use in well-ventilated area.
Respiratory protection	N/A
Hand protection	Suitable gloves are recommended.
Eye protection	Safety glasses

9. PHYSICAL AND CHEMICAL PROPERTIES

Appearance	A transparent adhesive backed film, coloured green, blue or colourless, on a release liner (except linerless), in roll format wound on to a cardboard core
Odour	None
Boiling Point	N/A
Specific Gravity (Water=1)	N/A
Water solubility	Insoluble
pH	N/A
Flash Point	Not determined

10. STABILITY AND REACTIVITY

Stability	Stable under normal storage and use conditions.
------------------	-------------------------------------------------

SAFETY DATA SHEET

Polymerisation	Material is polymeric by nature but no further reaction is expected
Conditions to avoid	Excessive heat
Materials to avoid	None
Hazardous decomposition products	Smoke, oxides of carbon

11. TOXICOLOGICAL INFORMATION

Acute toxicity	No data but expected to be non-toxic
Primary Irritant effect	
- on skin	None expected
- on eyes	None expected
Additional information	Slight irritation may occur if excessive contact with adhesive occurs.

12. ECOLOGICAL INFORMATION

Ecotoxicity	Not determined but from data available on materials of construction product is not expected to be environmentally harmful.
--------------------	----------------------------------------------------------------------------------------------------------------------------

13. DISPOSAL CONSIDERATIONS

General Information	Can be disposed of by controlled incineration or landfill. Dispose of material in accordance with local and national regulations. Treat waste products as non-hazardous
----------------------------	-------------------------------------------------------------------------------------------------------------------------------------------------------------------------

14. TRANSPORT INFORMATION

General Information	Not classified as hazardous for transportation
----------------------------	------------------------------------------------

15. REGULATORY INFORMATION

Labelling	
R-Phrase(s)	Not required
S-Phrase(s)	Not required

16. OTHER INFORMATION

Text of R phrases mentioned in Section 3	N/A
Further information	This information relates only to the specific material designated and may not be valid for such material used in combination with any other materials or in any process. Such information is, to the best of the company's knowledge and belief, accurate and reliable as of the date indicated. However, no warranty guarantee or representation is made to its accuracy, reliability or completeness. It is the user's responsibility to satisfy himself as to the suitability of such information for his own particular use.
